You can also submit a personal check for the amount you received from the former account.

[X] Regular Contribution Check(s)

☐ **Rollovers Contribution Check(s) under I.R.C. § 529**

If you have already received a check from another Qualified Tuition Program or from a Coverdell Education Savings Account (Education IRA), the Plan must receive your contribution check within 60 days of the date of withdrawal from the other program to qualify for rollover treatment.

Your rollover check may be endorsed to the *Kentucky Education Savings Plan Trust*, regardless of amount, if the check issued by your former account is payable to you. You can also submit a personal check for the amount you received as a rollover from the former account. Unless the Plan receives a statement, including a breakdown of earnings and contributions for your original account, the entire rollover amount will be treated as earnings and will be reported as earnings upon withdrawal.
